

Social Science & Humanities International

(An International Multi-disciplinary Journal)

ISSN: 2581-7965

Social Science & Humanities International welcomes you to a unique and an intellectual platform where you can be a part of theoretical debates, empirical analysis and promotion of interdisciplinary studies in the field of Social Sciences and Humanities. Our main aim is to disseminate the scientific knowledge and present up-to-date research endeavours from diverse disciplines. We are committed to review your research findings and publish them in readable form. So we request you to submit your research work for rapid review and publication.
