(An International Multi-disciplinary Journal)

Copyright Transfer Form

Manuscript Title & ID -----

1. I/We hereby declare that the manuscript submitted to the journal is an original work carried out with significant contribution of all the authors. Further this work or its part is not published in any journal/book nor is in communication with any other journal.
2. I/We have participated adequately in designing, analyzing, interpreting and conceptualizing the work. I/We have gone through the contents of the manuscript after writing and believe that it is suitable for the publication. Moreover the manuscript does not infringe any existing copyright or any other third party rights.
3. I/We have taken due care that the scientific knowledge, historical data, evidential artefacts, figures and all other statements contained in the manuscript conform to true facts and authentic formulae and will not be disadvantageous to the user(s).
4. The manuscript does not contain any such material that may be unlawful, defamatory, or which at any instance in whatsoever case, violate the terms and conditions as laid down in the agreement.
5. I/We attest that, if at any instance during publication or at any time after publication requested by the editors, I/we will provide the data/information or will cooperate fully in obtaining and providing the data/information on which the manuscript is based, for examination by the editors or their editorial board/publication house.
6. I/We hereby transfer(s), assign(s), or otherwise convey(s) all copyright rights, including any and all rights subsidiary thereto, exclusively to the Journal, in the event that such work is published by the Journal. The Journal shall own the work, including 1) copyright; 2) the right to grant permission to republish the article in whole or in part, with or without fee; 3) the right to produce preprints or reprints and translate into languages other than English for sale or free distribution; and 4) the right to republish the work in a collection of articles in any other mechanical or electronic format.
